

# T-Top Rod Safety Straps

## INSTALLATION MANUAL

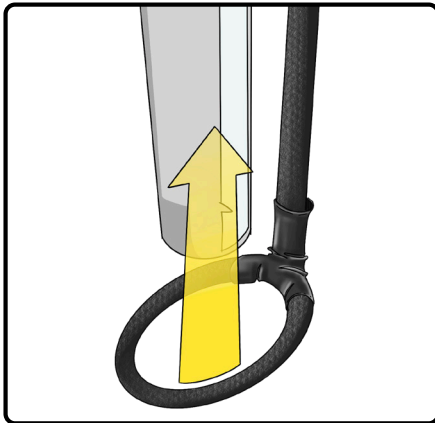

### Included Hardware Identification

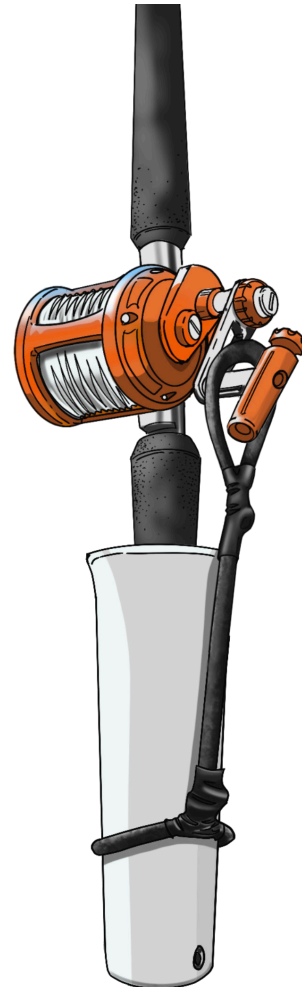

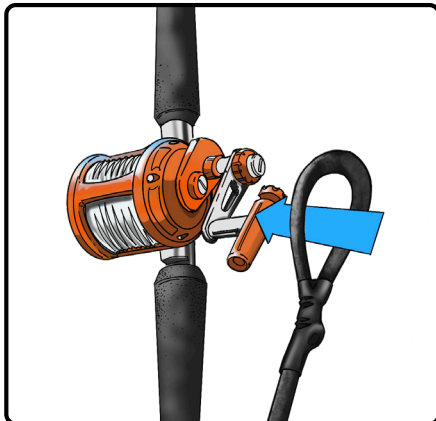

Keeping your rod and reel secure on the water is a top priority. By adding a t-top rod safety strap you'll never have to worry about losing a rig again.

### Attaching Strap to Rod Holder

1. To install, simply slide one end of the strap over the bottom of the rod holder.

2. Stretch the other end of the strap over the rod handle to secure the fishing rod.
